TCS organizes Code Vita to overcome the fear of programming and enjoy writing computer code. The main objective of the contest is to sharpen the contestants' programming skills through some real-life computing practices. The contest will also provide students an opportunity to showcase their programming talent, In this connection students are advised to register in the following link and to make use of the opportunities.

Simple steps to Register for the contest:

1. Log in to www.nextstep.tcs.com/Campus and choose IT as a category and register as Campus Applicant. If Registered, log in with CT reference & password.
2. Click Campus Commune once logged in the site.
3. Click on the contest banner and register to form a team.
4. Each team can only have two members & should choose a team name, team leader & team member
